Prestige Books in Moscow will release Globish IN Globish in a side-by-side, book/CD combination. Globish IN Globish has been a consistent online course in Globish with 1000 linked pages of interactive learning on computers or mobiles, but has never been made into either a book or companion CD Audio. This version of GNG is being edited by Dr. Alexander Lapitsky, a famous linguist in Russia who has written and been editor of over 30 books and dictionaries regarding 10 different languages.
